## Welcome to Rattan Elementary

Hello Rattan Families,  
My name is Todd Frazier, and it is my honor and privilege to serve the students and staff here at Rattan Elementary. This is my 8th year at Rattan and 20th year in education, and it is one of my greatest joys to invest in our young students to lay a solid foundation for future success, not only in school but in life. We look forward to partnering with you in supporting our students to be their best.

## Our Vision

Our Vision for Anna ISD is to maximize individual potential and ensure all students are empowered to conquer the challenges of education, work, and life.

## Opportunities

### Fine Arts/PE

# 100%

of elementary students participate in music, art, and physical education.

### Destination Imagination

DI is an organization that believes that when an educational experience is hands-on, collaborative, and fun, students are empowered to take their learning to the next level and are excited to do so. DI provides unique educational experiences across seven project-based Challenge types- **Technical, Scientific, Engineering, Fine Arts, Improvisational, Service Learning, and Early Learning.**

## School Safety

### Campus Officers

**Anna ISD** currently has four full-time police officers and plans on adding two part-time officers this year. AISD has also partnered with local first responders and the Collin County Engagement Management team to work more efficiently during a time of crisis. Send any tips to: [safetyandsecurity@annaisd.org](mailto:safetyandsecurity@annaisd.org)

### Parent University

Anna ISD has a new program for parents to make navigating a new school or new school year a little easier. The Parent University course has seven online modules that can be worked through at your own pace. This course will help you navigate the supports and resources you need to be invested in the success of your children by providing an introduction to district programs, campus resources, and parent-engagement strategies.

### iWatch

*The iWatch Texas* mobile app can be used by the public to report suspicious activities or behaviors that may indicate ongoing or future criminal or terrorist activity.

The app is available for iPhone users on the Apple App Store (*iWatchTexas*) and for Android users on Google Play (*iWatchTexas*).

## Accountability

### District Rating: B

Anna ISD students continue to make tremendous progress due to the dedication of our teachers and administrators, in partnership with our supportive parents. While we are pleased with the "B" rating of our district from the state accountability system, we believe that a student, school, and district should be measured on more than how students perform on one exam (STAAR) given on one day during the school year.

### Junior Hope Squad

**Jr. Hope Squads** (Grade 4-5) are comprised of students identified by classmates and peers as trustworthy. These students are trained to watch for at-risk peers. Squad members provide friendship, identify warning signs, and seek help from adults.

### Gifted & Talented

The Anna ISD **Gifted and Talented** Program is designed to challenge high-ability learners at the elementary, middle, and high school level in order to develop critical and creative thinkers who positively contribute to their community.
